Good Morning Amy,

Thank you for sending over information on this case. Kate Corbett is currently on [REDACTED] until mid-September. She has received a number of requests for court appearances. I do not believe that she has a conflict with October 21<sup>st</sup>. This date is also open for me so far. I can be reached at this email address or by phone at 617-983-6632. My normal work hours are 6:45am-2:45pm. I can access my voicemail messages at anytime. We would need subpoenas on this case and directions to the court. Our fax number is 617-983-6625. We will be looking to hear from you.

Hi Della,

I am an ADA in Chelsea District Court. I have a case that is scheduled for trial on October 21, 2009 in Chelsea. The defendant is charged with Possession with Intent to Distribute Class B in a School Zone. I tried to plea the case out on the last date by making the defendant an offer. Unfortunately, the defendant refused to accept the offer and the judge set a trial date. You are one of two analysts named on the drug certification (Kate Corbett is the other). Since this is a priority case, I am hoping that you are available on 10/21 to testify. Please let me know your availability when you get a chance. I am sorry for the inconvenience as I am sure that you are overloaded already!

Thanks,

Amy Martin
